MT--576-200	Science of Forgiveness	Lee/Stroud	Online	Online
-------------	------------------------	------------	--------	--------

Elective Course Descriptions not found in the SHSST Catalog:

The Thought of Bernard J.F. Lonergan, SJ

Course Description: This course is an introduction to the life and work of Bernard J. F. Lonergan, SJ. It will touch on Lonergan both as a philosopher and as a theologian, including his understanding of human subjectivity and authenticity, theological method, scholastic works and relationship to St. Thomas Aquinas, and legacy.

Science of Forgiveness

Course Description: The theological concept of forgiveness resides at the heart of the Christian faith. For Jesus, forgiveness is a key to ushering in the Kingdom of God. This course aims to integrate different scientific approaches along with philosophical and theological investigations on human forgiveness with the goal of analyzing relevant issues involving forgiveness and educating others in forgiveness.
