### **Multicultural Mass**

On Wednesday, October 02, the English and Culture Studies Program students participated in a Multicultural Mass for the Sacred Heart community. In addition, thanks to a generous grant from the Catholic Community Foundation, Sacred Heart invited three high school classes to join Mass. The Mass represented the diversity of the Universal Church through the various language and cultural styles of ECS students representing their 10 home countries. It was a beautiful sharing of language, song, and culture. Following Mass, the high schools joined the community for lunch where ECS students talked to them about their cultures and countries. Thank you to the ECS Program for a wonderful event!
